MEMORANDUM

TO: Linda Lamone, Administrator, Maryland State Board of Elections

FROM: David Garreis, Director, Anne Arundel County Board of Elections

DATE: May 19, 2022

SUBJECT: 2022 Gubernatorial Election Polling Place Facility Changes

Please find a report attached listing the Anne Arundel County Polling Place Facilities for the 2018 Gubernatorial Elections but not scheduled for use for the 2022 Elections and a list of polling place facilities new for the 2022 Election cycle.

The report details 20 facilities which will not be utilized on Election Day in 2022 after being used as a polling place in 2018, including:

- Thirteen churches;
- Two public schools;
- Glen Burnie Regional Area Library; and
- Four community centers:
 - Pip Moyer Recreation Center;
 - Salvation Army - Annapolis;
 - South County Senior Activity Center; and
 - Arundel Volunteer Fire Hall.

Many of the churches and community centers that are not returning are private locations and conduct child care programs during the week. These locations do not permit voting at their facility while children are present. This scheduling concern was not an issue when the facility was originally scheduled to be a polling place for the June 28, 2022 Primary Election. Unfortunately, these facilities could not cancel or easily adjust their scheduled child care programs when the Election date changed from June 28th to July 19th. The schools, Glen Burnie Library, and South County Senior Center had similar schedule conflicts that prevented their participation in the 2022 Gubernatorial Election such as building or parking lot renovations or previously scheduled community programs.

Concurrent to completing the Redistricting process, our team also worked on replacing the polling place facilities that were no longer available due to redistricting-related election schedule changes. Our new facilities include several schools that completed scheduled renovations or construction projects and are returning to our regular roster of polling places. There are seven new locations for the 2022 Gubernatorial Elections, including:

- 5 public schools;
- Community United Methodist Church; and
- Two Rivers Clubhouse.

The public school facilities are returning to our regular roster of polling place locations after being temporarily unavailable due regularly to renovations. The Two Rivers Clubhouse and Community United Methodist Church are new polling places.

If you have any questions or need additional information regarding polling place locations, please do not hesitate to email me at david.garreis@maryland.gov or call at 410-222-0405.

Recommendation: Approve

Garrett County

I was advised by the Board of Education that the Crellin Elementary School (District 14-2) was unavailable for July 19 because of summer school.

This is a very rural area however; I did find an acceptable location. At the Board meeting on May 3, the Board approved the Crellin Community Center as the new polling location.

Stephanie Taylor -Harford County

Dear Linda,

We would like the Board's approval to move precinct 3-23 from St. Matthew's Lutheran Church on 1300 Churchville Road, Bel Air, MD 21014 to a larger polling location at Southampton Elementary School located on 1200 Moores Mill Road, Bel Air, MD 21014 and move precinct 3-27 from Southampton Elementary School to a smaller polling location at St. Matthews' Lutheran Church.

Our Board of Directors approved the merging of precincts 3-01, 3-18 and 3-23 together to create precinct 3-01 at our April 28, 2022 meeting which created a larger precinct.

Sincerely,
Stephanie Taylor

Action: The motion to approve moving the polling place for D/P 6-04 to Clemens Crossing Elementary School from Atholton Elementary School for the Primary Election on July 19, 2022 was approved by those in attendance.

ADJOURNMENT

There being no further business, Donna Thewes asked for a motion to adjourn the Special Open Board Meeting. Ray Rankin made a motion to adjourn the meeting and Diane Butler seconded the motion.

Action: Board members in attendance voted to adjourn the meeting at 4:03 pm.

The next Regular Open Board Meeting of the Howard County Board of Elections will be held on Monday, May 23, 2022 at 4:00 pm.

Respectfully Submitted,

Phyllis A. West, Board Secretary

Donna K. Thewes, Board President

Howard County

As seen in the draft minutes from my Board on Monday, the Board has approved to change the polling place for District/Precinct 06-04 from Atholton Elementary to Clemens Crossing Elementary.

Atholton Elementary will not have any kind of HVAC working in it from the time school closes, until after the election, which would create a problematic atmosphere and environment for the judges and voters alike.

In an effort to provide a more amenable voting experience for all, we chose to move the polling place to Clemens Crossing Elementary School for the primary.

As long as the HVAC is fixed before the November election, the polling place will be returned to the original school.

Guy Mickley
Election Director

Mrs. Linda Lamone
State Administrator of Elections
151 West Street, #200
Annapolis, MD 21401

Dear Administrator Lamone:

The Prince George's County Board of Elections requests an emergency change in polling places for Adelphi Elementary School, Consolidated Precinct 17-012 and 17-018 – Adelphi Elementary School is under construction. This consolidated precinct will temporarily move to Cherokee Lane Elementary School, which is approximately 5 minutes away.

We request the approval of the State Board of Elections for this emergency change.

Sincerely,

Alisha Alexander,
Elections Administrator
Prince George's County Board of Elections

WICOMICO COUNTY BOARD OF ELECTIONS 2022 REDISTRICTING RESOLUTION

The Wicomico County Board of Elections has been presented with the following information for approval after the redistricting process was completed.

1. Political subdivisions of every precinct in Wicomico County. (DP-010 Precinct Within Districts)
2. Listing/delineation of affected precincts in Wicomico County, whether by split or full precinct move to a different political subdivision.
3. Overview map of current precincts.
4. Current list of polling place locations (including changes approved by the Board on or before April 19, 2022). In 2018 there were 31 polling locations, and for the 2022 primary there are 27, resulting in 4 fewer physical locations available than in 2018. This is not by choice, but due to extenuating factors (schools becoming unavailable due to major construction; and the loss of 2 polling locations entirely due to the postponement of the primary election date). We anticipate this reduction to be temporary, and for the 2022 primary election only. Two of the polling places lost for the primary due to the postponement should be available for the general, which would increase the number of polling locations for the general. In spite of the temporary reduction, there are more precincts and, therefore, more precinct polling places than in 2018. There is a polling place for each precinct, which will be supplied with the appropriate ballot style for each precinct it serves. Furthermore, we have an additional early voting site, as well as three ballot drop boxes available at both early voting sites and the elections office.
5. New precinct descriptions (metes and bounds) – Submitted request to county GIS; will be submitted for Board approval as an addendum.
6. New voter population numbers for each precinct in Wicomico County. (DP-007 Precinct Voter Counts Report)

After reviewing the information provided to the Board, the Board approves the redistricting resolution of the Wicomico County Board of Elections as presented.

Motion made by Carsten Wendlandt; seconded by Sharon Morris, and passed unanimously this day, May 18, 2022.

Our office was notified that Stephen Decatur Middle School, one of our polling places for the 2022 elections, would be unavailable for use during the July 19th Primary Election because of renovations being made to the school.

Our office staff has looked for a replacement polling place, however, we were unable to find one that would be available in July. We were hoping Worcester Preparatory School (our early voting site for the Primary Election only) would be willing to allow us to use the school on July 19th, but they are hosting a basketball sports camp that week and the gym will be used in its entirety. Our only option is to consolidate the Stephen Decatur Middle School into Berlin Intermediate School for the Primary Election.

We currently use Berlin Intermediate School as a polling place. They allow electioneering, are fully accessible (see survey attached), and the gym is large enough to accommodate the extra voters. Our Board Members have approved using the school and we are asking for the State Board approval as well.

Please feel free to contact me with any questions or concerns you may have. I can be reached at 443-614-4438 or at patricia.jackson@maryland.gov. Thank you.
